We are ...

An Italian company furniture, born in 1984, in order to develop a project: realize high quality products, strictly " Made in Italy ", and exporting the unique and unmistakable image of " Mobili in Stile " (style furniture) in the world.

We shape first quality pieces of woods, giving them the form of our ideas, of a design studied to combine the tradition and the strength of the innovation: from small fitting furniture, to complete dining, living and bedrooms.

We want ...

Our mission consists in offering to the big international buyers a product able to respect the standard of excellence and spread the Italian values in the world:

- **BEAUTY** and Elegance
- **INGENUITY** and Creativity
- **STRENGHT** and Duration

We look for ...

Our vision corresponds with the realization of our mission. WE ARE LOOKING FOR international partners able to share our values. At the same time we want to establish fruitful business collaboration finalized to furnish our products to the chain stores and shops.

WE OFFER the possibility to commercialize products lines able to fill the demands of "MADE IN ITALY" lovers!

We guarantee ...

- . The **EXPERIENCE** of a brand operating on world-wise since a long time, with special attention to Germany, Swiss, Scandinavian countries and far east (Japan and South Korea).
- . The ambition **TO GROWN** and expand our market, combined to the concreteness of a company well-established on the territory and aware of its history.
- . The **VERSATILITY** of a family business able to grant and understand the more personal requests.
- . The high **QUALITY / PRICE CONNECTION** that we can offer to our partners.
